Vienna Pavilion

STYLE & CLASS

Location

The extraordinarily beautiful Vienna Pavilion is a different place for your event. It is located in the very heart of Plovdiv, within the ground of the International Fair, and is surrounded by an artificial pond with musical fountains. The unique structure is readily accessible as it is situated near some of the entrances to the fair ground and a walking distance away from the multi-storey car park.

Capacity

150-200 people if arranged as a Ballroom
200-250 people if arranged for a presentation
200-300 people if arranged for a cocktail reception

Events

The custom-designed space – a combination of modern architecture and traditional classy and stylish ballroom – is perfect for various kinds of events all of which with unique atmosphere and organised according to the highest professional standards.
